You Come My House

1. You come my house, you eat sushi, that's the Japanese style;
You eat dikon and sashimi, that's the Japanese style.
You eat tofu, tempura too, but please take this advice
If you want gohan all I have at home is puffa puffa rice.

(waltz in 3)

2. You come my house, you eat bago'on, that's the Filipino style;
And then your stomach feels like there is something wrong,
that's the Filipino style;
Suppose you come my house, mo betta come at night,
that's the Filipino style;
Because day time I go to watch the chicken fight,
that's the Filipino style.

(VAMP in 4: A7 D7 G)

3. You come my house for one big luau, that's the Kanaka style;
You eat and eat till the food all pau, that's the Kanaka style.
You drink and drink till you just one wreck, that's the Kanaka style;
Then you starve until the next welfare check, that's the Kanaka style.
The pots and pans they all pilau and the dishes dirty too,
But we all wipe out and we like moemoe, so what are we going to do.
Put the dishes in the sink, boy -- put the dishes in the sink, boy.
The pots and pans they all can wait, tonight we're going to celebrate,
Put the dishes in the sink.
Call the neighbors to come over -- call the neighbors to come over.
The pots and pans they all can wait, tonight we're going to celebrate,
Put the dishes in the sink. Put the dishes in the sink.

A maile lei for your hair has a special meaning
It's a sweet aloha made with loving care
From mountains kissing the blue from a ridge of heaven

Honolulu I am Coming Back Again

I seem to hear the Pali calling me,
I seem to hear the surf at Waikiki,
And from Pacific Heights I seem to see the lights,
Of a city that is very dear to me.
I seem to see the waving sugar cane,
The coco palms are nodding in the rain,
In fancy I am led back to dear old Diamond Head.
Honolulu, I am coming back again.
Honolulu, I am coming back again.

That's the Hawaiian in Me

I don't like shoes upon my feet, to be at ease is such a treat,
And smile at everyone I meet, that's the Hawaiian in me.

I love to sing and dance for you, and give a lei to cheer you through,
And with that goes a kiss or two, that's the Hawaiian in me.

It's great to be in Hawai'i and be a native too,

But it's greater still to play around and carry on as I do.

So right out here in Hawai'i, where everything is heavenly,

I'm just as happy as can be, that's the Hawaiian in me.

Happy Me

Everybody knows I got a happy life, got no troubles and I got no wife
Free-er than a bird in a banyan tree, I'm the original happy me.

Never have a worry, livin' on the beach, ev'rything I want is in my reach.
Catch a little dinner from the bright blue sea, eat it with a haole girl, crazy for me.

Oh, I do a lot of swimmin' when the sun is bright,
do a lotta lovin' in the pale moonlight.
Don't know if it's better in the night or day, but I'm very happy either way.

My back is strong and my shoulders broad, ride the ocean on my big surfboard.
Catch a wave that's bigger than a mountain high,
jump on the shore and I'm still dry.

When I play my ukulele and I sing my song, nearly ev'rybody wants to sing along.
Fish come a-swimmin' just to hear me too, throw 'em in a pot and we got fish stew.

He Aloha Mele

He aloha mele, pretty hoku,
Sending down a special little sparkle for your brown eyes, pretty lovely brown eyes,
In the still of the night all the stars are shining bright for your brown eyes.

Gentle breeze whispering haunting melodies to you softly, whisper to you softly,
Hear the winds through the trees singing sweet harmonies to you softly.
With a wave of her hands she can tell you that the stars
only glitter at the setting of the sunset
With a wave of her hands she can tell you that the moon only glows
where no mountainside is there to touch her.
Now there's the sun and the moon talking stories
telling tales 'bout a new day, it's gonna be a nice day.
Now the moon shines bright and the sun will rise again to start a new day. He aloha mele.

Honolulu Baby, you're the one for me
Neath palm trees swaying at Waikiki
Honolulu Baby, you're the one for me
Honolulu Baby, when you start to sway
All the men go crazy, they seem to say

Honolulu Baby, you're the one for me
Honolulu Baby, at Waikiki
Honolulu Baby, you're the one for me
Honolulu Baby, at Waikiki
Honolulu Baby, you're the one for me

I Just Called to Say I Love You

No New Years Day to celebrate no chocolate covered candied hearts to give away
No burst of Spring no song to sing in fact it's just another ordinary day
No April rain no flowers bloom no wedding Saturday within the month of June
But what it is is something true made up of these three words that I must say to you

Refrain:

I just called to say I love you
I just called to say how much I care
I just called to say I love you
And I mean it from the bottom of my heart

No Summer tide no warm July no harvest moon to light one tender August night
No Autumn breeze no falling leaves not even time for birds to fly to southern sky
No Libra sun no Halloween no giving things to all the Christmas joy you bring
But what it is though all so new to fill your hearts like no three words could ever do

Embraceable You

Embrace me my sweet embraceable you
Embrace me you irreplaceable you
Just one look at you my heart grew tipsy in me
You and you alone bring out the gypsy in me
I love all the many charms about you
Above all I want my arms about you
Don't be a naughty baby Come to papa come to papa do
My sweet embraceable you

Sad Movies

She said she had to work so I went to the show alone.
They turned out the lights and turned the projector on.
And just as the news of the world started to begin.
I saw my darlin' and my best friend walk in.
So I was sitting there they didn't see.
And so they sat right down in front of me.
And when he kissed her lips I almost died.
And in the middle of the colored cartoons I started to cry.
Refrain: Oh, oh, oh Sad movies always make me cry
Oh, oh, oh Sad movies always make me cry
So I got up and slowly walked on home.
And momma saw the tears and said what's wrong.
And so to keep from telling her a lie
I just said Sad movies always make me cry.

You Are My Sunshine

You are my sunshine -- my only sunshine,
You make me happy when skies are gray
You'll never know, dear, how much I love you.
Please don't take my sunshine away.

The other night, dear, as I lay sleeping,
I dreamed I held you in my arms
When I awoke dear I was mistaken,
and I hung my head and cried.

I'll always love you and make you happy,
if you will only say the same,
But if you leave me to love another,
you'll regret it all someday.

You told me once, dear, you really love me,
And no one else could come between,
But now you've left me and love another,
You have shattered all my dreams.

Could I Have This Dance

I'll always remember the song they were playing
the first time we danced and I knew.

As we swayed to the music and held to each other,
I fell in love with you.

Chorus: Could I have this dance for the rest of my life?
Would you be my partner every night?
When we're together it feels so right.
Could I have this dance for the rest of my life?

I'll always remember that magic moment,
when I held you close to me.

As we moved together, I knew forever
you're all I'll ever need. [chorus]

Tennessee Waltz

I was waltzing with my darling to the Tennessee waltz
When an old friend I happened to see
I introduced him to my loved one and while they were dancing
My friend stole my sweetheart from me
I remember the night and the Tennessee waltz
Now I know just how much I have lost
Yes I lost my little darling the night they were playing
The beautiful Tennessee waltz

Crazy

Crazy, I'm crazy for feeling so lonely
I'm crazy, crazy for feeling so blue
And I knew you'd love me as long as you wanted
And then someday you'd leave me for somebody new
Worry, why do I let myself worry?
Oh Wondering what in the world did I do?
Oh I'm crazy for thinking that my love could hold you
I'm crazy for crying and crazy for trying
And I'm crazy for loving you

Drinking Champagne

I'm drinking champagne feeling no pain till early morning
Dining and dancing with every young thing I can find
I'm having a fling with a pretty young thing till early morning
Knowing tomorrow I'll wake up with you on my mind
Guilty conscience I guess though I must confess
I never loved you much when you were mine

That's Amore

When the moon hits your eye like a big pizza pie, that's amoré.
When the world seems to shine like you've had too much wine, that's amoré.
Bells will ring, ting-a-ling-a-ling, ting-a-ling-a-ling,
and you'll sing, "Veeta bella."
Hearts will play, tippy-tippy-tay, tippy-tippy-tay like a gay tarantella.
When the stars make you drool just like pasta fazool, that's amoré.
When you dance down the street with a cloud at your feet, you're in love.
When you walk in a dream but you know you're not dreaming, Signoré,
'Scuzza me, but you see, back in old Napoli, that's amoré.

Cherry Pink and Apple Blossom White

C Dm G7 C
It's cherry pink and apple blossom white when your true lover comes your way
Dm G7 C
It's cherry pink and apple blossom white the poets say
Dm G7 C
The story goes that once a cherry tree beside an apple tree did grow
Dm G7 C
And there a boy once met his bride to be long, long ago
Dm7 G7 C
The boy looked into her eyes it was a sight to enthrall
Dm7 G7 C
The breezes joined in their sights the blossoms started to fall
Dm7 G7 C
And as they gently caressed the lovers looked up to find
Dm7 G7 C
The branches of the two trees were intertwined
Dm G7 C
And that is why the poets always write if there's a new moon bright above

It's cherry pink and apple blossom white when you're in love

From glen to glen and down the mountainside,

It's you, it's you must go and I must bide,

Or when the valley's hush and white with snow
Yes, I'll be here in sunshine or in shadow
Oh, Danny Boy, oh, Danny Boy, I love you so.

Are You Lonesome Tonight

Are you lonesome tonight Do you miss me tonight
Are you sorry we drifted apart
Does your memory stray To a bright summer day
When I kissed you and called you sweetheart
Do the chairs in your parlor seem empty and bare
Do you gaze at your doorstep and picture me there
Is your heart filled with pain Shall I come back again
Tell me dear are you lonesome tonight

As Time Goes By

You must remember this A kiss is still a kiss A sigh is just a sigh
The fundamental things apply As time goes by
And when two lovers woo They still say: "I love you"
On that you can rely
No matter what the future brings As time goes by
Moonlight and love songs - never out of date
Hearts full of passion - jealousy and hate
Woman needs man - and man must have his mate
That no one can deny
It's still the same old story A fight for love and glory
A case of do or die
The world will always welcome lovers As time goes by

And your shoes get so hot, you wish your tired feet were fire-proof

You'll Never Walk Alone

When you walk through a storm, hold your head up high
and don't be afraid of the dark,
At the end of the storm is a golden sky and the sweet silver song of a lark.
Walk on through the wind, walk on through the rain,
Tho' your dreams be tossed and blown
Walk on, walk on, with hope in your heart, and you'll never walk alone,
You'll never walk a - lone!

Over the Rainbow

When all the world is a hopeless jumble and the raindrops tumble all around,
Heaven opens a magic lane.
When all the clouds darken up the skyway, there's a rainbow highway to be found,
Leading from your window pane.
To a place behind the sun, Just a step beyond the rain.
Somewhere over the rainbow way up high
There's a land that I heard of once in a lullaby,
Somewhere over the rainbow skies are blue,
And the dreams that you dare to dream really do come true.
Some day I'll wish upon a star and wake up where the clouds are far behind me.
Where troubles melt like lemon drops, away, above the chimney tops
that's where you'll find me.
Somewhere over the rainbow bluebirds fly,
Birds fly over the rainbow, why then, oh why can't I?

Waimea Lullaby

As early evening rains come down, I hold you in my arms.
I try to smile away your tears and rock away all harm
Please close your eyes again for me, hush now don't you cry
The showers sing a sweet, sweet, sweet Waimea lullaby.

Dans la soirée il pleut doucement, Je te tiens dans mes bras.
Cesse toi les larmes les chansons tristes, mon amour ne pleure pas.
J'adore les jeux qui sont si beaux, hush now don't you cry,
Let nuages chantant un sweet, sweet, sweet Waimea lullaby.

My darling I'm in love with you, and times like these are ve-ry few.
If I had my way right here I'd stay and hold you forever.

Please dream a pleasant dream for me, hush now don't you cry,
The breezes sing a sweet, sweet, sweet Waimea lullaby.

Somewhere

There's a place for us, Somewhere a place for us.
Peace and quiet and open air wait for us somewhere.
There's a time for us, Somewhere a time for us.
Time together with time to spare Time to learn, time to care.
Someday, Somewhere We'll find a new way of living,
We'll find a way of forgiving, somewhere.
There's a place for us, A time and place for us.
Hold my hand and we're halfway there.
Hold my hand and I'll take you there, somehow, someday, somewhere.

In This Life

^C For all I've been blessed with in my life, ^F ^{G7} there was an emptiness in me ^C
I was imprisoned by the power of gold, ^F ^{G7} with one kind touch you set me free ^C

Chorus: ^F ^G ^C ^F
Let the world stop turning, let the sun stop burning
^{G7}
Let them tell me loves not worth going through
^F ^G ^C ^F
If it all falls apart, I will know deep in my heart
^{G7}
The only dream that mattered had come true
^F ^G ^C
In this life, I was loved by you

^C For every mountain I have climbed, ^F ^{G7} every raging river crossed ^C
You were the treasure that I longed to find,
^{G7} ^C
without your love I would be lost [chorus]

Bridge: ^{Bb} ^F
I know that I won't live forever,
^C ^{G7}
but forever I'll be loving you [chorus]

In My Life

^G ^{Em} ^{G7} ^C ^{Cm} ^G
There are places I'll remember all my life— though some have changed
^G ^{Em} ^{G7} ^C ^{Cm} ^G
Some forever, not for better some have gone— and some remain
^{Em} ^C ^F ^G
All these places have their moments with lovers and friends I still can recall
^{Em} ^{A7} ^{Cm} ^G ^D
Some are dead and some are living but in my life, I've loved them all

^G ^{Em} ^{G7} ^C ^{Cm} ^G
But of all these friends and lovers there is no one compared with you

^G ^{Em} ^{G7}
And these memories have their meaning
^C ^{Cm} ^G
when I think of love as something new

^{Em} ^C
Though I know I'll never ever lose affection
^F ^G
for people and things that went before

^{Em} ^{A7}
I know I'll often stop and think about them,

^{Cm} ^G
but in my life, I loved you more

^{Cm} ^G
In my life, I loved you more

Lovers and Friends

Isn't it somehow strange how friends will turn into lovers
And overnight you find you've changed from one into the other
A friend will always stay with you and talk a problem through
But a lover is the only one who'll spend the night with you.
refrain: There are lovers there are friends
And it's hard to tell where one begins and the other ends
There are those the ones like you
Who have somehow found a way to be the two.
Through the years you'll find that lovers will come and go
But a friend will always stay with you this I think you know
A lover can be your own and be your one and only
But a friend will always stay with you when a lover leaves you lonely
It's hard to live your life without one or the other
To find someone who'll be your friend and still become a lover
But now I'll never have to make a choice between the two
Now all my life I've found a friend and lover both in you.

May the Good Lord Bless and Keep You

May the Good Lord bless and keep you whether near or far away
May you find that long awaited golden day today
May your troubles all be small ones and your fortune ten times ten
May the Good Lord bless and keep you till we meet again.
