- 1 See this very interesting **Honolulu Star Bulletin** article of July 8, 1972, discussing the creation and release of the hymnal Nā Hīmeni Haipule Hawai'i and a description of "Hīmeni O Kaluapapa.." therein.
 - 2 Ernest Kala and John Punua (1883-1960) composed the song "E Nā Kini" in 1951. Even up to recent times, whenever the song was sung, Kalaupapa residents would stand during the singing of this patriotic song. More mo'olelo about "E Nā Kini" in Noe Mahoe's **Ho'āhu 'Ana O Nā Mele II**, publication pending.
